	Grower/Contact:	Charlie Young
	Company:	Strawberry Passion Farms LLC Plant City FL
	Industry/Crop:	Strawberries
	Product:	BUGITOL
	Pest/Problem:	Mites, Worms, Aphids

Charlie Young of Strawberry Passion Farms, shared his positive feedback regarding Bugitol.

"The mite control was beyond belief it was the best thing I tried on the organic production. At 5 oz it is very cost effective."

Application Rate:

5oz of Bugitol per 100 gallons of water plus M-pede.

Two applications applied as a tank mix and spray to wet. (10 oz of Bugitol at 200 gallons per acre solution)
