	Company:	Strawberry Passion Farms LLC Plant City FL
	Industry/Crop:	Organic Vegetables
	Product:	NEMITOL
	Pest/Problem:	Nematodes

Charlie Young of Strawberry Passion Farms, shared his positive feedback regarding Nemitol.

"I used 6 gallons per acre as my soil treatment for nematodes on the organic farm which controlled them very effectively."

Application Rate:

Applied through irrigation system with double drip queen gil with 4 inch spacing.
