	Grower/Contact:	J. Tunstall
	Company:	Barnes Greenhouses, Dunkirk NY
	Industry/Crop:	Bedding Plants
	Product:	SorbiShield 90
	Pest/Problem:	Thrips

**Jarratt Tunstall, Barnes Greenhouses in Dunkirk NY**, shared his positive feedback on SorbiShield 90.

"We are using SorbiShield 90 for our bedding plants with really good results. I really like it; it's a very usable, economical formulation to tank mix. We had a supplier sales rep in who was amazed at the dead thrips." said Mr. Tunstall. ", I like to tank mix it because it has no resistance issues. I recommended SorbiShield 90 to another greenhouse grower in the area and they are also very happy with the results."

**Application Rate:** 0.2% v/v plus surfactant, applied as a tank mix and spray to wet.
